ALL COUNTY LETTER NO.79-78(Adult Services Program Operations Bureau)

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: IHSS REDETERMINATIONS - NOVEMBER-DECEMBER 1979

You recently received a telephone call from an Adult Services Program Operations Bureau staff person notifying you that IHSS need reassessments and eligibility redeterminations for November-December 1979 are waived if you so desire. IHSS case reassessments and redeterminations normally scheduled for November-December 1979 may be waived and will not require action until the next six-month assessment/redetermination cycle in May and June 1980. However, all new applications must be processed in the prescribed manner and time frames and any recipient requests for reassessment during this two-month period must be honored. Full compliance with the waived reassessment/redetermination regulations is expected for all IHSS cases due for reassessment/redetermination beginning January 1, 1980. The purpose of this waiver is to free staff resources necessary to build a data base for the payrolling system.

Should you elect to exercise this waiver, please notify your Adult Services Program Operations Bureau consultant in writing as soon as possible.

Sincerely,

  
JAMES H. GOMEZ  
Deputy Director
